

Terminal wiring of E5-H PID closed loop control & vector control variable speed drives (AC frequency inverters, AC drives, VFD, VSD):

E5-H-4T5.5G PID feedback control and vector control AC inverter drive (variable speed drive) is taken as an example

**V&T Technologies Co., Ltd.**

**V&T Technologies Co., Ltd.** is a leading manufacturer & supplier of motor control, energy Manufacturer & supplier of vector control variable frequency drives (VFD, frequency inverters, VSD, variable speed drives, AC drives), servo, motor soft starters...

V&T Technologies Co., Ltd. <http://www.EcoDriveCN.com>

efficiency, industrial automation & motion control, produces & supplies [AC variable speed drive \(frequency inverter\)](#), [servo](#), [motor soft starter](#), [reactors \(chokes\)](#), [EMI filter](#), [sinewave filter \(sinus filter\)](#), [du/dt filter](#), [brake resistors](#), [brake units](#), [other power electronics](#).

The drives are widely applied in [plastic injection molding machine \(for 25% ~ 70% energy saving ratio\)](#), [machine tools](#), [air compressor](#), water supply, civil engineering, conveyor belt, [sewage disposal \(wastewater treatment\)](#), extruder, fan and pump, food and beverage industry, mining industry, paper and forest products industry, petroleum and chemical industry, wood processing, HVAC (heating, ventilating and air conditioning), paper & pulp...

From 200VAC to 1140VAC, from 0.4KW to 3MW (0.5hp - 4000hp), we are competing with ABB & Siemens in the market of drives & controls.

Advantages:

Failure rate < 1%, superior quality, similar as Siemens, Emerson Control Techniques, ABB, Eaton, Schneider, Allen Bradley, Lenze, Yaskawa, Fuji;

[Authorized CE certificate by ECMG. Under the audit of NVLAP. NVLAP Lab code: 200068-0. ISO/IEC 07025:1999, ISO 9002:1994;](#)

18-month warranty period;

Prompt delivery lead time;

Supply to [REGAL](#), [Ingersoll Rand](#), [Foxconn](#), [Tata Group](#), [L.K. Group](#), [Kai Shan Air Compressor Co., Ltd.](#), [Ingersoll Rand](#), [Shenyang machine tool group](#), [Shanghai Zhenhua Heavy Industry Co., Ltd.](#), ...
