[V&T Technologies Co., Ltd.](http://www.EcoDriveCN.com) is a leading manufacturer & supplier of motor control, energy efficiency, industrial automation & motion control in China, produces & supplies [AC variable](#)

Manufacturer & supplier of drives, controls & motors: AC drives, VSD, VFD, frequency inverters, variable frequency drives, variable speed drives, servo, motor soft starters...

V&T Technologies Co., Ltd. <http://www.EcoDriveCN.com>

[speed drive \(frequency inverter, VSD, VFD, variable frequency drives, AC drives\), servo, motor soft starter, reactors \(chokes\), EMI filter, sinewave filter \(sinus filter\), du/dt filter, brake resistors, brake units, other power electronics.](#)

The drives are widely applied in [plastic injection molding machine \(for 25% ~ 70% energy saving ratio\)](#), [machine tools](#), [air compressor](#), water supply, civil engineering, conveyor belt, [sewage disposal \(wastewater treatment\)](#), extruder, fan and pump, food and beverage industry, mining industry, paper and forest products industry, petroleum and chemical industry, wood processing, HVAC (heating, ventilating and air conditioning)...

From 200VAC to 1140VAC, from 0.4KW to 3MW (0.5hp - 4000hp), we are competing with ABB & Siemens in the market of drives & controls.

Advantages:

Failure rate < 1%, superior quality, similar as Siemens, Emerson Control Techniques, ABB, Eaton, Schneider, Allen Bradley, Lenze, Yaskawa, Fuji;

[Authorized CE certificate by ECMG. Under the audit of NVLAP, NVLAP Lab code: 200068-0. ISO/IEC 07025:1999, ISO 9002:1994;](#)

18-month warranty period;

Prompt delivery lead time;

Supply to [REGAL, Ingersoll Rand, Foxconn, Tata Group, L.K. Group, Kai Shan Air Compressor Co., Ltd., Ingersoll Rand, Shenyang machine tool group, Shanghai Zhenhua Heavy Industry Co., Ltd, ...](#)

Manufacturer & supplier of drives, controls & motors: AC drives, VSD, VFD, frequency inverters, variable frequency drives, variable speed drives, servo, motor soft starters...

Struggling with how to select suitable AC inverter drives?
Struggling with few profits of distributing AC inverter drives (VSD, VFD drives)?
Relax now, just come & talk with us.
Our AC inverter drives will be your BEST choice! <http://www.EcoDriveCN.com>

Cooperating with several famous companies & research institutes in the field of motor control & power electronics:

Authorized CE certificate by ECMG. Under the audit of NVLAP. NVLAP Lab code: 200068-0. ISO/IEC 07025:1999, ISO 9002:1994

V&T Technologies Co., Ltd.

Manufacturer & supplier of drives, controls & motors: AC drives, VSD, VFD, frequency inverters, variable frequency drives, variable speed drives, servo, motor soft starters...
